A la hora de realizar un pedido se deberá indicar el nº europeo y el tipo de dureza necesaria.
Por ejemplo: Nº 1000 N12.

To make any request you have to indicate the european number and the type of needed hardness.

For example: Nº 1000 N12.

Nº europeo = peso aproximado del cursor en miligramos.

European Nº = approximate traveller weight in milligrams.

Nº europeo = Nº americano x 6,48 (aprox.)

European Nº = American Nº x 6,48 (approx).

Dureza N-12 = 12% fibra de vidrio. Hardness N-12 = 12% fiber glass

Dureza N-30 = 30% fibra de vidrio. Hardness N-30 = 30% fiber glass

En negrita son medidas en stock.

Bold type are the stocked traveller measures.
